Office & Factory : 11/11A, Industrial Estate, Adhartal, Jabalpur (M.P.) 482004
e-mail : mpmetal@rediffmail.com

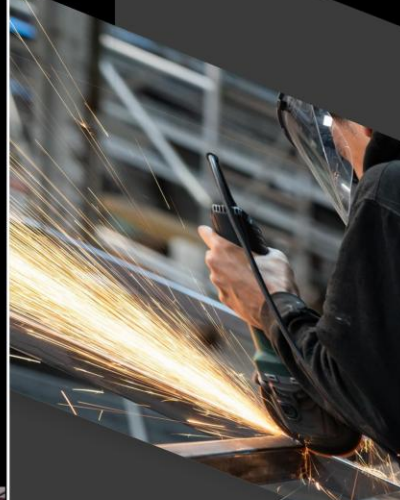

About Us

Established in the year 1966 M.P. Metal & Steel Industries is situated 8 Km from Jabalpur in the Industrial Estate, Adhartal and spreads in area of about 1 Acre. We started our operations as manufacturers of conduit Pipes for MPEB. Side by side we also manufacture parts of trucks for Gun Carriage Factory, Jabalpur (Truck Division).

Later on in 1969 when Vehicle Factory Jabalpur was established, we were fully involved in manufacturing of Motor Vehicle parts. In 1975-76 under the Government policy we were enlisted as Ancillary Unit for Vehicle Factory Jabalpur (VFJ) and other Defense establishments all over India.

- ☉ Pre-engineered Building (PEB shed)

In this era of globalization, it has become very pertinent 'not to put all your eggs in one basket. In other words we have ***diversified*** our business arena Further, we have expanded this core business to private players located throughout India like Ashok Leyland in Hosur, Sanghi Transports in Jaipur (Manufacturing Motor Vehicle Parts for Defense Ordnance Factories), Jupiter Wagon Works in Jabalpur and so on. Today we are manufacturing Complete Load Body for **TATA LPTA & ASHOK LEYLAND STALLION** Truck for VFJ.

Quality Policy

"M.P. Metal & Steel Industries is committed to lead & operate the organization by producing products that meet and exceed customer expectations together with assurance to quality and customer confidence. Our focus will be effective application of all resources for continual improvement of our Quality Management System. This will be through continuous monitoring and review of our processes and the results of our actions".
